Behavioral Health Comparison Rates Project: Provider Wage and Cost Survey

Behavioral Health Comparison Rates Project: Background

- ▶ HCA has been working with providers and actuarial partners on a project to develop transparent payment rate benchmarks for Medicaid funded BH services.
- ▶ Benchmarks are intended to capture the provider cost of delivering a specific services.
- ▶ Phase 1 focused on MH outpatient, SUD outpatient, SUD residential, WISe and PACT.
- ▶ Phase 2 focuses on refining core Phase 1 assumptions.

Behavioral Health Provider Cost and Wage Survey

- ▶ HCA has released a provider cost and wage survey to gather information and feedback from a wide range of providers.
- ▶ Information collected through the survey will be used in conjunction with other data sources to refine phase 1 comparison rates.
- ▶ Providers delivering services covered under Section 13.d of Washington's Medicaid State plan are encouraged to participate!
- ▶ Survey is open until **Thursday, November 10th**
- ▶ Want to participate?
 - ▶ download the survey from HCA's website (<https://www.hca.wa.gov/billers-providers-partners/program-information-providers/contractor-and-provider-resources#bh-comparison-rates>)
 - ▶ complete it for your organization
 - ▶ email it to applehealth.info@milliman.com
